BioPerine®[Black Pepper Fruit Extract] (Piper nigrum)	10 mg

Sinetrol® Citrus Blend 630mg
Boost fat oxidation and support lean body composition, keeping metabolism active overnight.

510mg Pumpkin Seeds
Provide key minerals that aid fat metabolism and muscle recovery while supporting calm, restful sleep.

Reishi Mushroom 100mg
Balances stress and cortisol to improve recovery and maintain steady nighttime metabolism.

100mg White Kidney Beans
Block carb absorption, helping the body use stored fat for energy during sleep.

BioPerine® 10mg
Enhances nutrient absorption so every ingredient works harder for fat-burning and recovery

20mg Grains of Paradise
Activates your body's thermogenesis process, enhancing fat burn and energy use throughout the day and night.

Valerian Root & Passionflower 100mg
Calm the nervous system to promote deep sleep and hormonal balance.

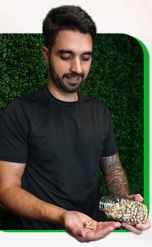

100mg Holy Basil & Ashwagandha
Adaptogens that reduce stress and regulate cortisol for better recovery and fat use.

Chamomile 50mg
Soothes body and mind, ensuring uninterrupted sleep for recovery and metabolism.

[How and When to Use]

Your PM dose continues fat-burning processes overnight, optimizes digestion, and ensures quality sleep for full recovery.

[Usage Recommendations]

- Take 3 capsules after your last meal, ideally just before bedtime.
- Avoid eating for 2 hours before and 30 min after taking.

[Highlight Benefits]

- 100% Natural Ingredients
- Optimally Dosed for Results
- Works in Harmony with Your Meals & Juices
